Responses to each question should be approximately one page.
16. Do you consent to the release of your academic and demographic information to outside groups and foundations that offer scholarships directly to Rice students? ☐ yes ☐ no
17. I certify that the information provided on this application is accurate and complete and acknowledge that any omission or inaccurate information could jeopardize my standing with the university. I further certify that I will, if admitted, abide by and support the Honor System at Rice University.

Printed Name _____

Date _____ Signature _____

It is the policy of Rice University to attract to its faculty, staff, and student body qualified persons of diverse backgrounds. Rice does not discriminate in admission, educational programs, or employment against any individual on the basis of race, color, religion, sex, sexual orientation, national or ethnic origin, age, disability, or veteran status. The university's employment policy seeks to recruit, hire, and advance women, minority group members, individuals with disabilities, Vietnam-era veterans, and special disabled veterans.

With the understanding that the choice of academic school you indicated in #5 is not binding, explain why you are applying to that particular school of study.

Architecture applicants are required to provide answers to the following questions. 1) What aspirations, experiences, or relationships have motivated you to pursue the study of architecture? 2) Outside of academics, what do you enjoy most or find most challenging? Responses to each question should be approximately one page.
